These can be read on the Ozark LMSC website. The membership voted and approved to keep the Ozark LMSC annual membership fee at \$10 per person for 2020, with waiver for senior swimmers 75 and over and full-time students 25 and younger. The membership voted and approved to waive the Ozark annual membership fee of \$10 for new members who register late in the year since USMS is allowing people to register early for the next year. They would still pay the \$10 for the next year. New members will be able to register in the fall for the following year so their registration will cover the fall and all of the following year.
